## Hoi An - My Son - Cham island Tour

### 4 Days/ 3 Nights

Hoi An was designated a UNESCO World Heritage Site in 1999, and a visit to this old-world gem is a sure cultural highlight of any tours in Vietnam. The town is well known for its excellent tailors, its art galleries, and its narrow streets crammed with tiny wooden cafes serving steaming coffee.

During this trip, you will first explore Hoi An's distinctly Chinese atmosphere with low, tiled houses and narrow streets, the original structure of some of these streets still remains almost intact. Next, you'll visit to the historic temple complex of My Son and then an enjoyable day to Cham island.

You'll stay in a charming hotel in a central location with a lovely swimming pool.
