Saigon - Mekong Delta 2 days

The Mekong Delta is the southernmost region of Vietnam. It is often referred to as the rice bowl of Vietnam as it produces three harvests per year. The fertile Mekong Delta is also famous for its tropical fruits and flowers. The Delta area marks the end of a 4,500km journey made by the Mekong River after having traveled through six countries. Traditional transportation in the Delta is by boat along a vast network of canals and channels. Boating along these canals and visiting the floating markets always proves to be a fascinating and rewarding experience for all visitors...
